LETTER OF INVITATION

On behalf of the IEEE Serbia and Montenegro Section, we have the pleasure to invite you to attend the IEEE Southeastern Europe Student Branch and GOLD Congress 2009 (IEEE SEEC 2009), to be held from 14th May to 17th May 2009 at Faculty of Tehnical Sciences, University of Novi Sad (UNS), Trg Dositeja Obradovica 6, 21000 Novi Sad, Serbia.

The IEEE (Institute of Electrical and Electronics Engineers) is the world's largest non-profit professional organization, working for the advancement of technology and betterment of students and professionals in the area of electrical and electronics engineering. The congress will showcase IEEE programs and highlight the efforts and contribution of younger members in its progression. Purpose is to gather all representatives of IEEE SB and GOLD members of SEE. It both fosters development of regional networking and enables insight into master and PhD programs of other Universities to students. Participants will have the chance and the privilege to attend workshops during which they will acquire necessary soft skills needed for successful work inside the student branches and in future career.

The participant will be accommodated at University of Novi Sad dorms. For more information on the congress, or venue, please visit the our website at:
